

Superior Vision

Explanation of Discounts for Kansas Website

Discount Features

Superior Vision's plan also features value-added discounts on both your covered eyeglasses and an unlimited number of additional glasses, lenses, or contacts you might purchase. Remember to look for providers in the Provider Directory who accept the discount plan; please verify their discounts prior to service as information and discounts may vary.

Covered Pair of Glasses

Frames:	20% off balance over retail allowance
Lens Options and Upgrades:	20% off retail

Some lens options or upgrades also have "out-of-pocket maximums". For instance, scratch coating or photochromic will be an additional expense to you, but only up to a stated maximum. Details are in your Benefits Summary and on the Superior Vision website.

Additional Glasses and Lenses, or Contacts

Frames and prescription lenses:	30% off retail
Lens add-ons; contacts; other prescription materials:	20% off retail
Disposable contact lenses:	10% off retail

Refractive Surgery (LASIK)

Superior Vision has a nationwide network of refractive surgeons who offer members a discount. These discounts may vary, but are the best possible discounts available to Superior Vision.

Discounts are subject to change without notice. Discounts do not apply if prohibited by the manufacturer.
